

Lost In This Moment

Big & Rich

I see your momma and the candles

and the tears and roses

I see your daddy walk his daughter down the aisle

I feel my knees start to tremble as I tell the preacher

Don't she look beautiful tonight

All the wonderful words in my head I've been thinkin'

You know I wanna say them all just right

I lift your veil and angels start singin'

Such a heavenly sight

[Chorus:]

Lost in this moment with you

I am completely consumed

By feeling so absolute

there's no doubt

Sealing our love with a kiss

Waiting my whole life for this

Watching all my dreams come true

Lost in this moment with you

I smell the jasmine floatin' in the air like a love song

Watch my words draw sweet tears from your eyes

We bow our heads while the preacher talks to Jesus

Please bless this brand new life

[Chorus:]

Lost in this moment with you

I am completely consumed

By feeling so absolute

there's no doubt

Sealing our love with a kiss

Waiting my whole life for this

Watching all my dreams come true

Lost in this moment with you

[Chorus:]

Lost in this moment with you

I am completely consumed

By feeling so absolute

there's no doubt

Sealing our love with a kiss

Waiting my whole life for this

Watching all my dreams come true

Lost in this moment with you
