

# Ride

Martina McBride

Yeah ahh yeah Verse 1

You wake up from your dream and, and you don't want to face the day

You can't find a reason to think your world will ever change

You can hide beneath the covers

Or you can run outside head up high and carry on Chorus

Life is a roller coaster ride

Time Turns a Wheel and Love Collides

Faith is believing you can close your eyes and touch the sky.

so Shine while you have the chance to shine

Laugh even when you want to cry

Hold on tight to what you feel inside and ride...

Verse 2

It brings you up slowly then shoot you like a rocket towards the ground

it twists and it shakes you before it turns you upside down

You can't see what's around the corner

and You can't look back, so just live it up and feel the rush Chorus

Life is a roller coaster ride

Time Turns a Wheel and Love Collides

Faith is believing you can close your eyes and touch the sky.

so Shine while you have the chance to shine

Laugh even when you want to cry

Hold on tight to what you feel inside and ride... Ride, ride, ahh yeah, yeahoh yeah

Shine while you have the chance to shine

Laugh even when you want to cry

Hold on tight to what you feel inside and ride Ride, ride, yeah, yeah, yeah, yeah!
