

# Heroes (We Could Be) [feat. Tove Lo]

Alesso

We could hide away in daylight  
We go undercover, wait out the sun  
Got a secret side in plain sight  
Where the streets are empty, that's where we run  
Everyday people do everyday things, but I  
Can't be one of them  
I know you hear me now, we are a different kind  
We can do anything  
We could be heroes  
We could be heroes, me and you  
We could be heroes  
We could be heroes, me and you  
We could be  
Anybody's got the power  
They don't see it 'cause they don't understand  
Spinning 'round and 'round for hours  
You and me, we got the world in our hands  
Everyday people do everyday things, but I  
Can't be one of them  
I know you hear me now, we are a different kind  
We can do anything  
We could be heroes  
We could be heroes, me and you  
We could be heroes  
We could be heroes, me and you  
We could be  
We could be heroes  
We could be heroes, me and you  
We could be  
We could be heroes  
We could be heroes, me and you  
We could be  
All we're looking for is love and a little light  
Love and a little light  
(We could be)  
All we're looking for is love and a little light  
Love and a little light  
We could be heroes  
We could be heroes, me and you  
We could be
