

Leaving My Love Behind

Lewis Capaldi

I don't know how we got to where we are
So far removed I don't know where to start
'Cause I've been away for far too long
But I employ you please hold on, I beg you please hold on Love don't come easy to us
And it's killing me to hang on
And hope it's enough So I was just wondering
Could you tell me is it all a waste of time
Are you leaving my love behind?
Baby say the word and let me know
You gotta give me something
I swear that I won't try to change your mind
If you're leaving my love behind
Baby say the word and let me go
We used to wait up and talk for hours on end
And it's got me thinking that lately something's ...
'Cause I've been feeling you leaving
Cracks in conversations way too long
I'm barely holding on Love don't come easy to us
And it's killing me to hang on
And hope it's enough So I was just wondering
Could you tell me is it all a waste of time
Are you leaving my love behind?
Baby say the word and let me know
You gotta give me something
I swear that I won't try to change your mind
If you're leaving my love behind
Baby say the word and let me go
Just let me go
Let me go
Just let me go
Just let me go
Baby say the word and let me go 'Cause I was just wondering
Could you tell me is it all a waste of time
Are you leaving my love behind?
Baby say the word and let me know
You gotta give me something
I swear that I won't try to change your mind
If you're leaving my love behind
Baby say the word and let me go
Just let me go
Just let me go

Baby say the word and let me go
