Still pop ace king shit I'm with rozay  
Black Maybach leather gloves on that OJ  
OK the day you beating me bitch no day  
Bandz a make her dance that's thousand dollar foreplay

You kissed her in her mouth, ask her how my dick taste  
Bitch nigga you don't want no drama I'm worth a couple commas  
It's death before dishonor  
Last king come sign up all my shit be disgner  
Extraordinary rhymers I bodied yo' shit for nothin'  
Wes, west up, hot temper  
Get wet up she give me head not neck up  
She clean the mess up

Hands clap like a nigga in the stadium  
Million dollar chain but I'm rocking 8 of 'em
