

Lil Boo Thang

Paul Russell

[Intro]

Let me tell you
Girl!

[Chorus]

You my lil' boo thang
So, I don't give a hoot what your dude say
Girl, I know
You a lil' too tame
I be shooting that shot like 2K
Girl, I know
Tell em' I'm, tell em' I'm next
Tell em' you found a lil' something too fresh
I know
Tell em' I'm, tell em' I'm next
Tell em' you found a lil' something too fresh
I know

[Verse 1]

Put a lil' gold in the teeth
And the fit goes hard took the doors off the Jeep, okay
I see your brother holding your seat, no beef
But I'm down to get to know you at least
Don't take my talkin' to you wrong
I can keep it chill like I smoke a young blunt
I'ma keep it real when your man long gone
If you're looking for a fri?nd then you got the wrong song

[Pre-Chorus]

Baby girl, what's good, what's with ya?
If you booked tonight, that's fiction
I'm outsid?, not with ya
You want me, go figure
To the back, to the front
You a ten baby girl, but I'm the one (Hey)
To the back, to the front
You a ten baby girl, but I'm the one (One)

[Chorus]

You my lil' boo thang
So, I don't give a hoot what your dude say
Girl, I know
You a lil' too tame

I be shooting that shot like 2K
Girl, I know
Tell em' I'm, tell em' I'm next
Tell em' you found a lil' something too fresh
I know
Tell em' I'm, tell em' I'm next
Tell em' you found a lil' something too fresh
I know

[Bridge]

Hey
Girl you got me
I'm singing
It's like
Oh, ooh-oh, ooh, you got the best of my love
Oh, ooh-oh, ooh, you got the best of my (My)
Oh, ooh-oh, ooh, you got the best of my love
Oh, ooh-oh, ooh, got the best of my

[Chorus]

You my lil' boo thang (Yeah)
So, I don't give a hoot what your dude say
Girl, I know
You a lil' too tame
I be shooting that shot like 2K
Girl, I know
Tell em' I'm, tell em' I'm next
Tell em' you found a lil' something too fresh
I know
Tell em' I'm, tell em' I'm next
Tell em' you found a lil' something too fresh
I know
