

Amelia

Cocteau Twins

Who've been wounded
Who should wound her
Heart on the grasp
Who but who put on the heartHe, and me, along said we, but burn
He, and me, along said we, but burn
He, and me, along said we, but burn
Hounded by the mask, but then...Wounded on the grasp
Wounded on the grasp
Wounded on the grasp
Wounded on the grasp
Wounded on the grasp
Wounded on the grasp
