

Good Vibes

Regard & LePrince

[Verse 1]

It's been a while but I'm still here
Treading? upon the road, trying to find myself again
Who? am I? Where am I from?
What's my purpose on this earth? Oh Lord

[Pre-Chorus]

When it's my turn, I'll go
For? my destiny, that's where I wanna be
I've? been searching all my life
For the truth, what's right? Never understood why

[Chorus]

I? need to see good vibes, good vibes, good vibes
I need it all around, I need it in my life, life
Good vibes, good vibes, good vibes
I need it all around, I need it in my sound, sound
Some? good vibes, good vibes, good vibes
I need it all around, I need it in my life, life
Good vibes, good vibes, good vibes
I need it all around, I need it in my sound, sound

[Interlude]

(Good vibes, good vibes, good vibes
Good vibes, good vibes, good vibes
Good vibes, good vibes, good vibes
Good vibes, good vibes, good vibes)
