

# Dusk Till Dawn (feat. Sia)

ZAYN

Not tryna be indie  
Not tryna be cool  
Just tryna be in this  
Tell me, are you too?  
Can you feel where the wind is?  
Can you feel it through  
All of the windows  
Inside this room?'Cause I wanna touch you baby  
And I wanna feel you too  
I wanna see the sunrise  
On your sins just me and youLight it up, on the run  
Let's make love tonight  
Make it up, fall in love, try  
But you'll never be alone  
I'll be with you from dusk till dawn  
I'll be with you from dusk till dawn  
Baby, I am right here  
I'll hold you when things go wrong  
I'll be with you from dusk till dawn  
I'll be with you from dusk till dawn  
Baby, I am right hereI'll be with you from dusk till dawn  
Baby, I am right hereWe were shut like a jacket  
So do your zip  
We would roll down the rapids  
To find a wave that fits  
Can you feel where the wind is?  
Can you feel it through  
All of the windows  
Inside this room?  
'Cause I wanna touch you baby  
And I wanna feel it too  
I wanna see the sunrise  
On your sins just me and youLight it up, on the run  
Let's make love tonight  
Make it up, fall in love, tryBut you'll never be alone  
I'll be with you from dusk till dawn  
I'll be with you from dusk till dawn  
Baby, I am right here  
I'll hold you when things go wrong  
I'll be with you from dusk till dawn  
I'll be with you from dusk till dawn  
Baby, I am right hereI'll be with you from dusk till dawn

Baby, I am right here Could give love to your body  
So, only you that can stop it  
Go, give love to your body  
So, only you that can stop it  
Go, give love to your body  
So, only you that can stop it  
Go, give love to your body  
Go, give love to your body But you'll never be alone  
I'll be with you from dusk till dawn  
I'll be with you from dusk till dawn  
Baby, I am right here  
I'll hold you when things go wrong  
I'll be with you from dusk till dawn  
I'll be with you from dusk till dawn  
Baby, I am right here I'll be with you from dusk till dawn  
Baby, I am right here I'll be with you from dusk till dawn  
Baby, I am right here
