

Insane (feat. Moon Holiday & Killer Mike)

Flume

You don't have to be afraid
You don't even have to be brave
Living in a gilded cage The only risk is that you'll go Go, Go
Insane
Go, oh oh, oh oh, oh oh
Oh, go, go, insane
Go, oh oh, oh oh, oh oh
Go
Go insane
And go
Go insane
And go
Go insane
And go, go, go, go insane
And go Your mind is on track
For games we play these days
With every path we take
You know you're safe, safe, safe
The only risk is that you'll go insane
The only risk is that you'll go insane And go
Go insane
And go, go, go
Go insane And go
Go insane
And go, go, go
Go insane
Go insane
Go insane
Go insane
And go, go, go
Go insane
