

The Sound of a Million Dreams

David Nail

Seeger was singing words I could believe in
And "Main Street" was my street that night
So I called up Samantha and asked her the
 Chance of us
 Running out 'neath the moonlight
Well, she's not with me now, she can always
 Be found
 When I rewind the radio dial
And like it was then I feel her on my skin
And I'm back there for awhile
 Chorus:
So I labor for hours 'cause I know the power
Of a song when when a song hits you right
 Pouring my soul into stories of life
 Hoping someone'll hear one tonight
Maybe my voice will cut through the noise And stir up an old memory
 And out of these piano keys
Comes the sound, the sound of a million dreams
My 18th summer I was a cocky up-and-comer,
 Cranking up "Born to Run"
 Turned left out the drive with the pistons
 Open wide
 And I came back a Prodigal Son
My spirit was broken, she threw the door open
 I love you not, I told you so
When I hear "Mama Tried" I still break down
 And cry
And pull to the side of the road Repeat Chorus Twice The Sound of a Million Dreams
