Upside Down (feat. Charlie Puth)

JVKE

Down south hood baby (Hood baby)
Make all the girls go crazy (Go crazy)
Go, go, go stupidBut, you smart like an a plus student
Up down, right down
Looking for your love, right now
La, la, la, la

Up down, all aroundTurn my stomach upside down La, la, la I found your hair tie in my car

I could, only drive so far

Without a break down (Ooh)Baby, you're the queen of hearts

You know, how to play your cards

You keep 'em face down (Ooh)

(Ooh), I miss your face now

Looking at your pictures

Scrolling, way down (Ooh)

Wishing I, could fix all my mistakes

I, wish I could erase you

Girl, I can't replace youYou're the one, that got away (Ooohh)

Girl, your energy

Feel so heavenly

Make me feel like

La, la, laYou a melody

Put to memory

It goes something like

La, la, laDown south hood baby (Hood baby)

Make all the girls go crazy (Go crazy)

Go, go, go stupid

But, you smart like an a plus student

Up down, right down

Looking for your love, right now

La, la, la, laUp down, all around

Turn my stomach, upside down

La, la, laGirl, your energy

Feel so heavenly

Make me feel like

La, la, la, laYou, a melody

Put to memory

It goes something like

La, la, la, la
