Chris Brown

[Intro]

Buddah bless this beat[Pre-Chorus: Chris Brown]

You likin' what you see

Everything designer, that's on me, uh

That's water when I walk

Looking like you, just tryna fuck, yeah[Chorus: Chris Brown]

This drip got you in heat

Just jump in, baby girl, hop on this dick, yeah

You know that I'ma beat (Yeah, yeah, yeah, yeah)

All this drip got your ass in heat, yeah
