

Love Love Love

Of Monsters and Men

Well, maybe I'm a crook for stealing your heart away
And maybe I'm a crook for not caring for it
Yeah, maybe I'm a bad, bad, bad... bad person
Well, baby I know And these fingertips
Will never run through your skin
And those bright blue eyes Can't only meet mine across the room
Filled with people that are less important than you
'Cause you love, love, love
When you know I can't love
You love, love, love
When your know I can't love
You love, love, love
When you know I can't love you
So I think it's best
We both forget
Before we dwell on it The way you held me so tight
All through the night
Til it was near morning
'Cause you love, love, love
When you know I can't love
You love, love, love
When you know I can't love
You love, love, love
When you know I can't love you
'Cause you love, love, love
When you know I can't love
You love, love, love
When your know I can't love
You love, love, love
When you know I can't love you
