

The Game

Disturbed

Tell me exactly what am I supposed to do
Now that I have allowed you to beat me
Do you think that we could play another game?
Maybe I could win this time I kinda like the misery you put me through
Darlin', you can trust me completely
If you even try to look the other way
I think that I could kill this time It doesn't really seem I'm getting through to you
Though I see you weeping so sweetly
I think that you might have to take another taste
A little bit of hell this time Lie to me
You lied to me
Is she not right?
Is she insane?
Will she now
Run for her life in the battle that ends this day? Is she not right?
Is she insane?
Will she now
Run for her life now that she lied to me? You always wanted people to remember you
To leave your little mark on society
Don't you know your wish is coming true today?
Another victim dies tonight And lie to me
You lied to me Is she not right?
Is she insane?
Will she now
Run for her life in the battle that ends this day?
Is she not right?
Is she insane?
Will she now
Run for her life now that she lied to me? Is she really telling lies again?
Doesn't she realize she's in danger? Is she not right?
Is she insane?
Will she now
Run for her life in the battle that ends this day? Is she not right?
Is she insane?
Will she now
Run for her life now that she lied to me? The little bitch, she went and she told a lie
And now she will never tell another lie
The little bitch, she went and she told a lie
Never fucking lie to me!
