[Verse 1]

A sound of something breaking
 I awake from sleep
 A sound full of unfamiliarity
 Try to cover my ears but can't go to sleep[Pre-Chorus]
 The pain in my throat gets worse
 Try to cover it
 I don't have a voice
 Today I hear that sound again[Chorus]
 It's ringing again, that sound
 A crack again on this frozen lake
 I dumped myself into the lake
 I buried my voice for you
 Over the winter lake I was thrown[Verse 2]
 A thick ice has formed
 In the dream I shortly went into
 My agonizing phantom pain is still the same
 Have I lost myself[Pre-Chorus]
 Or have I gained you
 I suddenly run to the lake
 There's my face in it
 Please don't say anything[Chorus]
 Reach my hand out to cover the mouth
 But in the end, spring will come someday
 The ice will melt and flow away
 Tell me if my voice isn't real[Chorus]
 If I shouldn't have thrown myself away
 Tell me if even this pain isn't real
 What I was supposed to do back then
