

Time Today

BJ the Chicago Kid

My body all over your body, babe

If you want we can roll up and pour up some Hennessy

Oh-oh, anything you want, I got it right here, yeah

So bring that body in

Come ride it like you got keys

Girl, pull up on me (Skrtrt, skrrt, skrrt, skrrt)

Thighs are tailor-made

Make that V for me

I got time today, yeah

I got time today, yeah

You lead me to the spot

I'll lick every drop

I'll be dippin' in your honey pot

Throw away the clock

'Cause I got time today, yeah

Oh, I got time today, yeah

I got time today, yeah, yeah

Brown sugar and honey is all I see (oh, baby)
So let me dive in (let me dive in), let me have it
Oh-oh, put me in my place, see it on my face

Come ride it like you got keys
Girl, pull up on me (Skrtr, skrrt, skrrt, skrrt) on me
Thighs are tailor-made
Make that V for me

I got time today, yeah
I got time today, yeah, ooh-ooh-ooh, whoa, whoa, whoa
You lead me to the spot
I'll lick every drop
I'll be dippin' in your honey pot
Throw away the clock

'Cause I got time today, yeah
Oh, I got time today, yeah, yeah
I got time today, yeah, yeah
