

# Circumstances

## Captain Beefheart & His Magic Band

Once you find out the circumstances  
Then you can uh go out, whoa yeahOnce you find out the circumstances  
Then you can uh go out, whoa yeahLittle girl don't you know that the stars up above are runnin'  
on love  
Little girl don't you know that they're blinkin' at you  
Now the sun can sun burn you but  
Not as bad as those old people do, yeahAh once you find out the circumstances  
Then you can uh go out, whoa yeahLittle girl don't you know that the stars up above are runnin'  
on love  
Little girl don't you know that uh they're blinkin' at you  
Now the sun can sun burn you but  
Not as bad as those o-o-o-old people do, yeah ha ha haAh once you once you find out the  
circumstances  
Then you then you then you then yo-u-u-u-u can go out, ah yeah  
You can go o-o-o-out
