

King of Anything

Sam Tsui

Keep drinking coffee, stare me down across the table While I look outside So many things I'd
say if only I were able But I just keep quiet and count the cars that pass by

You've got opinions, man We're all entitled to 'em, but I never asked So let me thank you for
your time, and try not to waste anymore of mine And get out of here fast

I hate to break it to you babe, but I'm not drowning There's no one here to save

Who cares if you disagree? You are not me Who made you king of anything? So you dare tell
me who to be? Who died and made you king of anything?

You sound so innocent, all full of good intent Swear you know best But you expect me to jump
up on board with you And ride off into your delusional sunset

I'm not the one who's lost with no direction But you'll never see You're so busy making maps
with my name on them in all caps You got the talking down, just not the listening

And who cares if you disagree? You are not me Who made you king of anything? So you dare
tell me who to be? Who died and made you king of anything?

All my life I've tried to make everybody happy While I just hurt and hide Waiting for someone
to tell me it's my turn to decide

Who cares if you disagree? You are not me Who made you king of anything? So you dare tell
me who to be? Who died and made you king of anything?

Who cares if you disagree? You are not me Who made you king of anything? So you dare tell
me who to be? Who died and made you king of anything?

Let me hold your crown, babe.
