

Break My Face

AJR

(Ok!)
(Ah ah ah ah) (x3) You run your mouth
Your tongue fell out
It's right there on the ground
But now
You'll never drown
You can't
You got no mouth
So it ain't all bad now
What doesn't kill you
Makes you ugly
Life gives you lemons
At least it gave you something
Ok!
So if I break my face
And I don't look so great
My face is just my face
Ok!
So if I break my face
It ain't my darkest day
My face is just my face
I'm ok (Ah ah ah ah) (x3) You roll your eyes
A hundred times
At every phony line
Are your eyes ok?
They rolled away
Right down the interstate
But at least you can't cry today
Ok!
So if I break my face
And I don't look so great
My face is just my face
Ok!
So if I break my face
It ain't my darkest day
My face is just my face
I'm ok (Ah ah ah ah) (x6) What doesn't kill you
Makes you ugly
Life gives lemons
At least it gave you something
What doesn't kill you
Makes you ugly

Life gives you lemons
At least it gave you somethingOk!
So if I break my face
And I don't look so great
My face is just my face
'Cause everything is going great
So if I break my face
It ain't my darkest day
My face is just my face
I'm ok(Ah ah ah ah) (x3)
(At least it gave you something)
