

Warrior (From "A Wrinkle in Time")

Chloe x Halle

[Verse 1: Halle]

Oh, my darlin', I've been missing you
For quite some time
So I'm gonna lift the oceans
Just to see your eyes

[Pre-Chorus: Chloe & Halle]

I could be a warrior, yes, I am a warrior
There's no need to worry, love
Look around, it's glorious
Close your eyes and taste the sun

[Chorus: Chloe & Halle]

You know where to find me
(You know where to find!)

[Verse 2: Chloe]

Oh my darling I am getting closer
Hold on tight
And I, know it hasn't been so easy
I'm fightin' for my life

[Pre-Chorus: Chloe & Halle, Halle]

I could be a warrior, yes, I am a warrior
There's no need to worry love
Look around, it's glorious
Close your eyes and taste the sun (Sun)

[Chorus: Chloe & Halle]

You know where to find me
And I know where to find you

[Post-Chorus: Chloe & Halle]

Inside, side the light
Inside, side the light
Inside I'm alive
Inside, side the light
Inside, side the light
Inside, side the light
Inside I'm alive
Inside, side the light
Inside, side the light

[Bridge: Halle, Chloe & Halle]

Almost, there overcome my fear

I'll save the light in our lives (Lives)
Just look deep inside to find you and I
Like stars in the sky will brighten the light

[Chorus: Chloe & Halle, Halle, Chloe]

You know where to find me
(Oh, oh, you know, you know where)
And I know where to find you

[Post-Chorus: Chloe & Halle]

Inside, side the light
Inside, side the light (The light)
Inside I'm alive (Oh)
Inside, side the light
Inside, side the light
Inside, side the light (Me)
Inside I'm alive
Inside, side the light (Oh)
Inside, side the light

[Outro: Chloe & Halle]

I could be a warrior, yes, I am a warrior
There's no need to worry, love
Look around, it's glorious
Close your eyes and taste the sun
You know where to find me
And I know where to find you
