

# Free

Mýa

*[Verse 1:]*

Everybody knows that yeah I'm kinda shy  
And I'm not the kinda girl who could ever approach a guy  
But I wanna find a way to get you to notice me  
I got a four wheel drive, 5' 5", brown eyes,  
Then maybe you can handle these  
Because I'm free

*[Hook:]*

Free... single, sexy and sweet  
Makin' my own money  
Lookin' for the right party  
And if you're free... spit your best game at me  
If you like what you see  
Maybe I'll let you share my fantasy

*[Verse 2:]*

Now, I don't need a man in my life tryin' to tie me down  
And I don't wanna playa who got kids all over town  
Don't want his curl juice drippin' all over my Mercedes seat  
I can't stand a man who thinks he looks better than me  
I'm lookin' for a brother who like to have fun

A fly gentleman who knows how to please a woman

The last thing I need is a man that's soft

He betta get it on up and break me off

Some a that fly high rise, 6' 5", ain't shy

And that's the kinda man I need

Because I'm free

*[Hook:]*

Free... single, sexy and sweet

Makin' my own money

Lookin' for the right party

And if you're free... spit your best game at me

If you like what you see

Maybe I'll let you share my fantasy

*[Repeat Hook]*

*[Bridge:]*

Mmm... If you're having a good time, just let go and don't be shy

Come on yeah... oh yeah

If you're down to do whatever

Then let's sing this song together

I'm free, oh come on and be free with me

*[Hook:]*

Free... single, sexy and sweet

Makin' my own money

Lookin' for the right party

And if you're free... spit your best game at me

If you like what you see

Maybe I'll let you share my fantasy

*[Disco Break:]*

Last Chance

Ooh boy, you look so good to me,

You might get lucky

'Cause I feel free tonight,

Are you available

Did you come here alone,

Won't you hang out with me

I'll freak you on the dance floor

*[Chant:]*

Everybody in the house... high rise

All the brothers up in here... 6' 5"

Gotta get in on up... High rise

You know you lookin' good tonight

All the ladies in the house... 5' 5"

Gotta show 'em whatcha got... thick thighs

Freak 'em on the floor... Ain't shy

You know you lookin' good tonight
