

Candy Paint

Post Malone

[Intro]

Yeah, yeah

Mmm, ayy

[Chorus]

Candy paint with the white on top

Lambo doors are the oo-op drop

If you busy plottin' on what I got

Kick in your door, that's SWAT, you thot

Hundred thousand dollars on the table top

Half price my whip, same price my watch

Got no jumper, but I ball a lot

Bitch, I'm young Stoney, I do what I want

Candy paint with the white on top (Skrrt)

Lambo doors are the oo-op drop (Drop)

If you busy plottin' on what I got

Kick in your door, that's SWAT, you thot (Pop)

Hundred thousand dollars on the table top

Half price my whip, same price my watch (Bling)

Got no jumper, but I ball a lot (Swish)

Bitch, I'm young Stoney, I do what I want

[Verse 1]

Didn't know that was your girl when she gave me top (Yuh)

Kicked her out the Rolls said, "Thanks a lot"

Goddamn, I love paper like I'm Michael Scott (Yeah)

I can do things that your man cannot (Yeah)

Slide boy comin' down, damn, I'm hot (Hot)

Everybody say that I gotta be stopped (Stopped)

Even though my final form ain't unlocked (Locked)

I'm so ahead of you muhfuckas'

How you comprehend what you ain't understandin'?

Count a hundred bands and I watch it vanish

Diamonds going crazy like they on the dance floor

Got a lot of ass, nothin' I can't handle

[Pre-Chorus]

Flavor lasts forever, you should try a sample (Goddamn)

Baby, I'm the boss like I'm Tony Danza (Tony Danza)

Everybody tryna tell me what I stand for

But you don't fuckin' know me, homie, you don't want war (Ayy)

[Chorus]

Candy paint with the white on top
Lambo doors are the oo-op drop
If you busy plottin' on what I got
Kick in your door, that's SWAT, you thot
Hundred thousand dollars on the table top

Hit the switch up the suicide doors (Damn)
