

Everything to Me

Monica

Boy if you ever left my,
My side,
It'd be like taking the sun from
The sky
I'd probably die without
You in
My life
Cause I need you to
Shine, shine
Your light You're everything to me, heey
The air that I breathe, oh
I sigh so I see, oh Lord
You're everything to me
I can't repay you for all that you've done
Always come first and second to none
All that you've given me is equal to ten
My peace, my joy
You are my
My strength You're everything to me, whoa
The air that I breathe
I sigh so I see, ohhh that
You're everything to me (Boy I never thought) Never thought I'd feel a love like this
Better than our first date
Sweeter than our first kiss (and you)
Ain't no other person for me
You're my best friend
My lover
(Baby you're) My everything
You're everything to me, whoa
The air that I breathe
I sigh so I see, ohhh
You're everything to me I need you, I need you, I need you...
