

# Treat People With Kindness

Harry Styles

Maybe, we can find a place to feel good  
And we can treat people with kindness  
Find a place to feel goodI've got a good feeling  
I'm just takin' it all in  
Floating up and dreamin'  
Droppin' into the deep endAnd if we're here long enough  
They'll sing a song for us (Ah-ah-ah-ah)  
And we'll belongMaybe, we can find a place to feel good  
And we can treat people with kindness  
Find a place to feel good  
Given second chances  
I don't need all the answers  
Feeling good in my skin  
I just keep on dancin'And if we're here long enough  
We'll see it's all for us  
And we'll belongMaybe, we can find a place to feel good  
And we can treat people with kindness  
Find a place to feel goodAnd it's just another day (And it's just another day)  
And if our friends all pass away (Oh-oh, oh-oh)  
It's okay (It's okay, it's okay)  
It's okay (It's okay, it's okay) Yeah  
Hey!  
Here we go now  
Maybe, we can find a place to feel good  
And we can treat people with kindness  
Find a place to feel goodAll we ever want is automatic all the time  
All we ever want is auto all of the time  
All we ever want is automatic all the time  
All we ever want is auto all of the time(All together now!)  
Maybe, we can (One more time!) find a place to feel good (Oh yeah!)  
And we can treat people with kindness (Just a little more kindness!)  
Find a place to feel good
