

# Summer Breaking (feat. Kevin Parker)

**Mark Ronson**

Driving quick past [?] pass is 1000 feet high  
All in sky  
Pulling the clock down in the back of some pretty girl's ride  
You get highAvenues into this bowl for tips  
Foreign ships as long as girls ride on their [?]We're always summer breaking when we ride in  
the streets after dark  
We're always summer breaking hanging out near the boys in the park  
Summer is gone, summer breaking fall(?)Give em new hell, got a new record to chill in your car  
Sing along  
It feels so good, doesn't know you're too bright and too calm  
Like a diamondPlay your [?], playing away you forget [?]  
Baby girl, you can [?]  
We're always summer breaking when we ride in the streets after dark  
We're always summer breaking hanging out near the boys in the park  
Summer is gone, summer breaking fall(?)
