

# Marlene

## Todd Rundgren

Marlene, Marlene  
You're the prettiest girl I've ever seen  
Do you care for me at all, Marlene?  
I care for you  
And I just don't care who knows it  
And I guess that means that I love you Marlene (Marlene) Marlene (Marlene)  
Who'd believe that you're only seventeen?  
I'm in trouble if your folks get mean  
And if they do  
Then I don't care if they bust me  
And I guess that means that I love you  
I don't need no fantasies  
Just one thing I need  
If you could make it here, Marlene  
Dear, Marlene Marlene (Marlene) Marlene (Marlene)  
When I think that it all is just a dream  
I remember that your eyes are green  
And mine are blue  
They will always see each other  
And I guess that means that I love you I don't need realities  
Just one thing I need  
If you could make it here, Marlene  
Dear, Marlene  
Marlene, Marlene  
I'm depending on you now, Marlene  
(Marlene) I'm depending on you now, Marlene  
(Marlene) I'm depending on you now, Marlene  
(Marlene) I'm depending on you now, Marlene  
(Marlene) I'm depending on you now, Marlene
