

# Nothing Would Be Better

Nick Jonas

[Chorus]

Nothing is forever, nothing will be better  
Than the love you're giving me  
I just gotta have you, wish you didn't have to  
When you gonna set me free?  
Like it or not, we were doomed from the start  
I know that you'll agree  
That nothing is forever, nothing would be better, better  
Than you and me (And me, and me)  
Than you and me (And me, and me)  
You and me

[Verse 1]

I take the worst of what you got  
It hurts more than sticks and rocks  
You know I'll be there, you know I'll be there  
And I would be your punching bag  
Throw it all and don't hold back  
Still, I'll be there, you know I'll be there

[Pre-Chorus]

'Cause I used to live in fear, it was my home  
But there are harder things to be than all alone  
You're the broken part of me that makes me whole  
We're so unsure

[Chorus]

Nothing is forever, nothing will be better  
Than the love you're giving me  
I just gotta have you, wish you didn't have to  
When you gonna set me free?  
Like it or not, we were doomed from the start  
I know that you'll agree  
That nothing is forever, nothing would be better, better  
Than you and me (And me, and me)  
Than you and me (And me, and me)  
You and me

[Bridge]

We don't turn around unless we're throwing stones

And we're crawling like there's crack all in my bones  
You're the broken part of me that makes me whole  
We're so unsure

[Chorus]

Nothing is forever, nothing will be better  
Than the love you're giving me  
I just gotta have you, wish you didn't have to  
When you gonna set me free?  
Like it or not, we were doomed from the start  
I know that you'll agree  
That nothing is forever, nothing would be better, better  
Than you and me
