

Evergreen

Luther Vandross

Love, soft as an easy chair
Love, fresh as the morning air
One love that is shared by two
I have found with you
Like a rose under the April snow
I was always certain love would grow, oh
Love ageless and evergreen
Seldom seen by two
So you and I will make each night a first
Every day a beginning, yeah yeah
Spirits rise and their dance are unrehearsed
They warm and excite us, yeah yeah yeah
'Cause we have the brightest love

Whoa, oh, two lights, two lights that shine as one
Morning glory and a midnight sun
Time we've learned to sail above
Time the won't change the meaning of, no no
Ooh, one love, ageless and ever
Evergreen
