

Victor Jara's Hands

Calexico

Wire fences still coiled with flowers of the night
Songs of the birds like hands call the earth to witness
Sever from fear before taking flight.Fences that fail and fall to the ground
Bearing the fruit from Jara's HandsMe siento solo y perdido
Una vela alumbra mi camino
Cruzando tierras que nunca he visto
Cruzando el río de mi destino
Solo soy un chico mas
Que sueña en alto y mirando al mar
Fences that fail and fall to the ground
Bearing the fruit from Jara's Hands
