

From Where You Are

Lifehouse

So far away from where you are
These miles have torn us worlds apart
When I miss you, yeah I miss you So far away from where you are
I'm standing underneath the stars
And I wish you were here I miss the years that were erased
I miss the way the sunshine would light up your face
I miss all the little things
I never thought that they'd mean everything to me
Yeah I miss
When I wish you were here I feel the beating of your heart
I see the shadows of your face
Just know that wherever you are
Yeah, I miss you
When I wish you were here
I miss the years that were erased
I miss the way the sunshine would light up your face
I miss all the little things
I never thought that they'd mean everything to me
Yeah I miss you
When I wish you youe here
So far away from where you are
These miles have torn us worlds apart
And I miss you, yeah I miss you
And I wish you were here
