

No Police

Doja Cat

Whee-oooh whee-oooh
whee-oooh whee-oooh(No police, ha)
(No police)Whee-oooh whee-oooh,
whee-oooh whee-oooh(No police)No policeThey say I bang
They never toy with me
Royal from the crown to my fucking feet
They say talk that talk
Walk but please avoid the streets
Lock the jaw, lock the door
Avoid the speech
Cause once you speak
Bullshit reek like oil leak
Pop a pill, cop a feel
Rock the lease
How the fuck you do that in them denim jeans?
All these bars, no police
(No police)
Whee-oooh whee-oooh, whee-oooh whee-ooohAll these bars, no policeWhee-oooh whee-oooh
whee-oooh whee-oooh
(pop a zany - free)
All these bars, no policeHe calls me copper tone
Smoking ultraviolet
We turn off the phone
I'm in autopilot
Make that disappear
Mr. Copperfield
When we ride he bust them tricks
I lean and pop a wheel
Watching brandy sipping brandy
Panties on the marble floor
Guess my pants is fancy
Bitches acting catty on the set
Make your man tatt me on his neck
Or tap me on your back
Mmm, that's nasty but I'm classy with this shit
So pop a couple xanies for me quick
Pop a couple xanies for me quickPop a couple xanies for me bitch
Like, all these bars, no police
Whee-oooh whee-oooh, whee-oooh whee-oooh
All these bars, no police
pop a zany - free
All these bars, no policeYeah, Yellow bars, get it in

Somehow this shit medicine
Feel that slow high setting in
It'll take you to a place you ain't never been
Like floating on cotton candy clouds
Shirt and panties on the ground
This kitties' hot, fan it down
Make moves on me, papi, don't stand around
One for you, one for me, want me to break you half?
Your gentle touch on my naked ass
These summer nights when that AC blastin'
Bars put ease, a crazy pass so?
Baby if you need it come and get it
Just can't hold this back from you Now pop this with me
Whee-oooh whee-oooh,
whee-oooh whee-oooh All these bars, no police
pop a zany - free
Whee-oooh whee-oooh
whee-oooh whee-oooh
All these bars, no police Whee-oooh whee-oooh
whee-oooh whee-oooh
(No police)
All these bars, no police Whee-oooh whee-oooh
whee-oooh whee-oooh
All these bars, no police
(No police) Whee-oooh whee-oooh
whee-oooh whee-oooh
All these bars, no police
(No police) Whee-oooh whee-oooh, whee-oooh whee-oooh
All these bars, no police
