

# Buried Alive

## Avenged Sevenfold

Take the time just to listen  
When the voices screaming are much too loud  
Take a look in the distance Try and see it all  
Chances are that you might find  
That we share a common discomfort now I feel I'm walking a fine line  
Tell me only if it's real  
Still I'm on my way On and on it goes  
Vacant hope to take  
Hey! I can't live in here for another day Darkness has kept the light concealed  
Grim as ever  
Hold on to faith as I dig another grave  
Meanwhile the mice endure the wheel  
Real as ever  
And it seems I've been buried alive  
I walked the fields through the fire  
Taking steps until I found solid ground Followed dreams reaching higher  
Couldn't survive the fall  
Much has changed since the last time  
And I feel a little less certain now You know I jumped at the first sign  
Tell me only if it's real  
Memories seem to fade On and on it goes  
Wash my view away  
Hey! I can't live in here for another day Darkness has kept the light concealed  
Grim as ever  
Hold on to faith as I dig another grave  
Meanwhile the mice endure the wheel  
Real as ever  
And I'm chained like a slave Trapped in the dark  
Slammed all the locks  
Death calls my name  
And it seems I've been buried alive Take you down now  
Burn it all out  
Throw you all around Get your fucking hands off me!  
What's it feel like?  
Took the wrong route  
Watch it fall apart Now you're knocking at the wrong gate  
For you to pay the toll  
A price for you alone  
The only deal you'll find I'll gladly take your soul  
While it seems sick, sober up quick  
Psycho lunatic  
Crushing you with hands of fate Shame to find out

When it's too late  
But you're all the same  
Trapped inside, inferno awaits  
Evil thoughts can hide  
I'll help release the mind  
I'll peel away the skin  
Release the dark within This is now your life  
Strike you from the light  
This is now your life  
Die buried alive  
This is now your life  
What's it feel like?  
Strike you from the light  
Let me take in your soul  
This is now your life  
What's it feel like?  
Die buried alive  
Let me take in your soul  
This is now your life  
Die buried alive!
