

# Sink In

Amy Shark

There's not a bone in my body that's not weak for you  
Well if you find one let me know  
I can still feel the way you hold me next to you  
And I don't want to feel it anymore But if you didn't ever touch me that way just know  
I know I wouldn't be the same  
If you never put your love in my brain just know I'll know That I'm weighed down by your  
beautiful  
Collapsing underneath your perfect  
Drowning in your wonderful  
And I'm letting you sink in  
It's, it's almost unbearable  
I'm suffering inside your magic  
Love you something terrible  
And I'm letting you sink in  
And I'm letting you sink in  
Everywhere I go I'm reminded of you like  
The bed the bathroom floor the bar downstairs at 2am  
I'm trying to forget the things you used to do like  
Kiss me harder in the bar downstairs at 2am But if you didn't ever touch me that way just know  
I know I wouldn't be the same  
If you never put your love in my brain just know I'll know That I'm weighed down by your  
beautiful  
Collapsing underneath your perfect  
Drowning in your wonderful  
And I'm letting you sink in  
It's, it's almost unbearable  
I'm suffering inside your magic  
Love you something terrible  
And I'm letting you sink in  
And I'm letting you sink in And I'm letting you sink in  
Got a hold of me and I don't know how or why  
Got a hold of me and I don't know how or why  
You got a hold of me and I don't know how or why  
You got a hold of me and I don't know how or why And I'm weighed down by your beautiful  
Collapsing underneath your perfect  
Drowning in your wonderful  
And I'm letting you sink in  
It's, it's almost unbearable  
I'm suffering inside your magic  
Love you something terrible  
And I'm letting you sink in

And I'm letting you sink inAnd I'm letting you sink in
