

Now You Know

Jon Langston

If you can't tell from my red neck
Or the bottom land camo hat on my head
Or my muddy truck Or that big buck
12 pointer hanging on my wall
Y'all listen up
If you can't tell from an old bird dog
Got his tail wagging always riding shotgun
And if you can't tell from the songs and the way I talk
Well I'm about to tell y'all
I'm a cold bear drinking
Every Friday night singing
Them songs 'bout the girl I love
I'm the small town
Running that sundown
Till I get downtown tearing it up
I just go with the flow
With the whiskey and coke
If you ever wondered how I roll
Well now you know I like my days long and my lime wet
While I'm sitting on corner in my shortbed
When my pretty thing's sitting next to me
My little heart-stealing honey, she's my everything
And if you ain't got it by now
Well let me tell you brother what I'm all about
I'm a cold bear drinking
Every Friday night singing
Them songs 'bout the girl I love
I'm the small town
Running that sundown
Till I get downtown tearing it up
I just go with the flow
With the whiskey and coke
If you ever wondered how I roll
Well now you know
Now you know Yeah
I am who I am
I'm proud of where I'm from
If you are too come on and raise 'em up
Raise 'em up I'm a cold beer drinking
Every Friday night singing
Them songs 'bout the girl I love
I'm the small town

Running that sundown
Till I get downtown tearing it up
I just go with the flow
With the whiskey and coke
If you ever wondered how I roll
Well now you know
Now you know
Now you know
Now you know
Now you know
