

# Feel Something

## Illenium, Excision & I Prevail

I don't pray to God but I did today  
Just to take a minute of the pain away  
'Cause I'm scared that I believe in nothin'  
Am I on my own?  
I don't wanna break but I did today  
Guess I only have myself to blame  
Should I just let go?  
I'm afraid to let go I'd do anything, anything  
Just to feel something  
Just to feel something  
Yeah, I'd give everything, everything  
Just to feel something  
Just to feel something  
(Oh, oh, oh, oh, oh, oh)  
(Oh, oh, oh, oh)  
(Oh, oh, oh, oh, oh, oh)  
(Feel something)  
(Oh, oh, oh, oh, oh, oh)  
(Oh, oh, oh, oh)  
(Oh, oh, oh, oh, oh, oh) Just let me feel something  
I just wanna feel  
Feel something  
I just wanna feel  
I just wanna feel  
I just wanna feel  
Feel something  
I just wanna feel  
Yeah, I just wanna feel  
I just wanna feel  
Feel something  
Wanna feel something Wanna feel something  
(Oh, oh, oh, oh, oh, oh)  
(Oh, oh, oh, oh)  
(Oh, oh, oh, oh, oh, oh)  
(Feel something)  
(Oh, oh, oh, oh, oh, oh)  
(Oh, oh, oh, oh)  
(Oh, oh, oh, oh, oh, oh)  
Wanna feel something (Oh, oh, oh, oh, oh, oh)  
(Oh, oh, oh, oh)  
(Oh, oh, oh, oh, oh, oh)  
Just let me feel something

(Oh, oh, oh, oh, oh, oh)  
(Oh, oh, oh, oh)  
(Oh, oh, oh, oh, oh, oh)  
Feel something
