Queen of Hearts

Jason Derulo

There comes a time in every man's life
When he's gonna have to make a choice
Should he keep up with the player's life
Or listen to that inner voice
Sayin if you got a good one
You'd be a fool if you let it go
I admit the other days were fun
But I think it's time for me to growThere ain't no one in this entire world
I'd rather be with than you girl
So I'm throwin' out all my cards
Cuz I think I've finally found the
Queen of Hearts (Queen of Hearts)
Queen of Hearts (Queen of Hearts)
Whoa ohh ohh ohh
I used to be the King of Clubs
But now those days are done
Oh, cuz I know you are (know you are)
The Queen of Hearts (Queen of Hearts)
Queen of Hearts (Queen of Hearts)
You're my Queen of HeartsWell I knew this day was gonna come
When I would have to shuffle my plans
Now I got a pair of diamonds
So I put them in your hands
Share, cuz you are the real thing
There's no way I could walk away
I'm givin you the best of me
So baby you wanna dance?
There ain't no one in this entire world
I'd rather be with than you girlSo I'm throwin' out all my cards
Cuz I think I've finally found the
Queen of Hearts (Queen of Hearts)
Queen of Hearts (Queen of Hearts)
Whoa ohh ohh ohh
I used to be the King of Clubs
But now those days are done
Ooh, cuz I know you are (know you are)
The Queen of Hearts (queen of hearts)
Queen of Hearts (Queen of Hearts)
You're my Queen of HeartsNo one before you came close to what you do
You know that's the truth for sureYou changed my life now I can't see me without your love
So I'm betting it on usSo I'm throwin' out all my cards
Cuz I think I've finally found the

Queen of Hearts (Queen of Hearts)
Queen of Hearts (Queen of Hearts)
Whoa ohh ohh ohh
I used to be the King of Clubs
But now those days are done
Ooh, cuz I know you are (know you are)
The Queen of Hearts (queen of hearts)
Queen of Hearts (Queen of Hearts)
You're my Queen of Hearts
