Scared to Be Lonely

Martin Garrix & Dua Lipa

It was great at the very start
Hands on each other
Couldn't stand to be far apart
Closer the betterNow we're picking fights and slamming doors
Magnifying all our flaws
And I wonder why, wonder what for
Why we keep coming back for moreIs it just our bodies
Are we both losing our minds
Is the only reason you're holding me tonight
'Cause we're scared to be lonelyDo we need somebody
Just to feel like we're alright
Is the only reason you're holding me tonight
'Cause we're scared to be lonely
Too much time, losing track of us
Where was the real
Undefined, spiraling out of touch
Forgot how it feelsAll the messed-up fights and slamming doors
Magnifying all our flaws
And I wonder why, wonder what for
It's like we keep coming back for moreIs it just our bodies
Are we both losing our minds
Is the only reason you're holding me tonight
'Cause we're scared to be lonelyDo we need somebody
Just to feel like we're alright
Is the only reason you're holding me tonight
'Cause we're scared to be lonelyScared to be lonely
Even when we know it's wrong
Been somebody better for us all along
Tell me, how can we keep holding on, holding on tonight
'Cause we're scared to be lonelyEven when we know it's wrong
Been somebody better for us all along
Tell me, how can we keep holding on, holding on tonight
'Cause we're scared to be lonelyIs it just our bodies
Are we both losing our minds
Is the only reason you're holding me tonight
'Cause we're scared to be lonelyScared to be lonely
Scared to be lonely
Eh, eh, scared to be lonely
