

# Urgent

## Foreigner

You're not shy, you get around  
You wanna fly, don't want your feet on the ground  
You stay up, you won't come down  
You wanna live, you wanna move to the sound  
Got fire in your veins  
Burnin' hot but you don't feel the pain  
Your desire is insane  
You can't stop until you do it again But sometimes I wonder as I look in your eyes  
Maybe you're thinking of some other guy  
But I know, yes I know, how to treat you right  
That's why you call me in the middle of the night You say it's urgent  
So urgent, so oh oh urgent  
Just wait and see  
How urgent my love can be  
It's urgent  
You play tricks on my mind  
You're everywhere but you're so hard to find  
You're not warm or sentimental  
You're so extreme, you can be so temperamental But I'm not looking for a love that will last  
I know what I need and I need it fast  
Yeah, there's one thing in common that we both share  
That's a need for each other anytime, anywhere It gets so urgent  
So urgent  
You know it's urgent  
I wanna tell you it's the same for me  
So oh oh urgent  
Just you wait and see  
How urgent our love can be  
It's urgent  
You say it's urgent  
Make it fast, make it urgent  
Do it quick, do it urgent  
Gotta rush, make it urgent  
Want it quick  
Urgent, urgent, emergency  
Urgent, urgent, emergency  
Urgent, urgent, emergency  
Urgent, urgent, emergency  
So urgent, emergency  
Emer... emer... emer...  
It's urgent
