

# I Will Survive

Jemaine Clement & Kristin Chenoweth

Well, at first i was afraid  
I was petrified.  
I kept thinking that i could never live  
I could barely fly. And I spent oh so many nights thinking  
How he did me wrong  
And, and I crew strong.  
And I learned how to get along. Go on, now go!  
Walk out the door!  
Just turn around now...  
It is I who have the floor.  
Weren't you the one who tried to hurt me with goodbye?  
Did you think i'd crumble?  
Oh, no!  
Did you think i'd lay down and die?  
Oh no not nige! I will survive!  
As long as I know how the hate  
I know I'll stay alive. Ah! Ah! Ah! I've got all my life to live  
And i've got all my love to give!  
And i will survive!  
You will survive!  
I will survive!  
We will survive!  
I'm a survivor  
I've got the eye of a tiger  
I've been training again and eating a fiber  
You've staying alive  
Well i've staying alive-er  
Watch where you sit  
when I spit my saliva like boom  
Boom! You've never seen a cockatoo  
Rockin'n shocking and droppin'  
And pop'n and looking too? Watch what i can do without no autotune  
Say what?  
Ay, ay, ay, ah, ahh!  
Oh no he didnt! If you try to keep me down  
I'll just come back stronger  
If you try to cut me short  
I'll just come back longer  
If you beat me at ping pong  
I'll just play ping pong-er Give me my throne  
I am ready to thrive  
One thing i know...

I will survive! I will survive!
