

A Capella (Something's Missing)

Brandy

[Verse 1]

I'm feelin' such a vacancy, I don't feel whole (Oh, oh)
Wish I can put my finger on it, but I don't know what it is
I, looked in every place I could see
Tryin' to find the missing part of me
I can't explain this feeling (Feeling)

[Chorus]

Feels like I'm on a long journey, goin' in circles
And I ain't even goin' nowhere
I'm lost in the middle of nowhere
Somethin' is missing (Can somebody help me?)
Somethin' is missing (I'm missin' a part of me, yeah)
Somethin' is missing (Show me what it is)
Show me what's missing (Missin')

[vocalizing]

[Verse 2]

I'm in a dark room, in a bad position
I'm lookin' for the light to restore my vision (Vision)
Guess I'm walkin' blind, I keep fallin' down
I can't find my way (My way)
I can't explain this feeling

[Chorus]

Feels like I'm on a long journey, goin' in circles
And I ain't even goin' nowhere
I'm lost in the middle of nowhere
Somethin' is missing (Can somebody help me?)
Somethin' is missing (I'm missin' a part of me, yeah)
Somethin' is missing (Show me what it is)
Show me what's missing (Missin', oh-oh)

[Bridge]

Feels like I'm leaving somethin' behind
Can't think straight, something's on my mind
Can't pay attention 'cause I'm all so broke
Can't find the words 'cause they all been spoke
The answer's gotta be right, in my face
What I gotta do to fill this empty space, oh?

[Chorus]

Feels like I'm on a long journey, goin' in circles (Circles)
And I ain't even goin' nowhere

I'm lost in the middle of nowhere
Somethin' is missing (Can somebody help me?)
Somethin' is missing (I'm missin' a part of me, yeah)
Somethin' is missing (Show me what it is)
Show me what it is, oh
Feels like I'm on a long journey, goin' in circles
And I ain't even goin' nowhere
I'm lost in the middle of nowhere
Somethin' is missing (Can somebody help me?)
Somethin' is missing (I'm missin' a part of me, yeah)
Somethin' is missing (Show me what it is)
Show me what's missing, oh
