

Look Back at It

A Boogie wit da Hoodie

[Chorus]

Look back at it

She ain't never do this before but she good at it

Said she never made love but she good at it

She make a nigga feel good when I look at it

I get...

Goosebumps when I look at it

Oh girls just wanna have fun with it

Oh the girls just wanna fun with me

These girls ain't really know what good for me

Yeah

Dr?at-da-da-da

Dr?at-da-da-da-da

Dr?at-da-da-um-da

Dr?at-da-da-da-um-da

Yeah got a new bitch that I ain't promotin'

All of my friends love money throw it

Dr?at-da-da-da-um-da

Let me tell you something 'bout my life

[Verse 1]

And every single chain

And my diamond rings

The way you walkin'

The way you talkin'

It's all because of me

And the way I'm all on you

Girl you know it's true

The way I speak

This a melody

Don't you ever think

It's another meet

Girl, on everything

It's a lot on me

I cannot be seen

I cannot be takin' apologies

Yeah they proud of me

'Cause that bag on me

Yeah they after me

I got racks on me

Got the stash on me

Leak the gas in me

Yeah, hoodie on low but I stay focused

Yeah, started staying over and everybody know dis

[Chorus]

Look back at it

She ain't never do this before but she good at it

Said she never made love but she good at it

She make a nigga feel good when I look at it

I get...

Goosebumps when I look at it

Oh girls just wanna have fun with it

Oh the girls just wanna fun with me

These girls ain't really know what good for me

Yeah

Dr?at-da-da-da

Dr?at-da-da-da-da

Dr?at-da-da-um-da

Dr?at-da-da-da-um-da

Yeah got a new bitch that I ain't promotin'

All of my friends love money throw it

Dr?at-da-da-da-um-da

Dr?at-da-da-um-da[Verse 2]

Can I come by and vibe?

I get a different type of fly

Hit a lick and split it with my guys

Gettin' rich I'm really lit but I

Ain't shit I admit it but I try

If I'm wrong just tell me that I'm right

Let me tell you something 'bout my life

Look back at it

She ain't never do this before but she good at it
