

I Love Me Some Him

Toni Braxton

[Chorus]

I love me some him
I'll never love this way again
I love me some you
Another man will never do
I love me some him
I'll never love this way again
I love me some you
Another man will never do

[Verse 1]

All those days and lonely nights
Have all gone away
I never thought the day would come
When we'd be more than friends
You made me smile when I was down
And turned my world around
The way you give me love
Feels so right
(Oh)

[Pre-Chorus]

You took the ease off my mind
And put it behind
You were there for all my needs
So, baby
Stay

[Chorus]

I love me some him
I'll never love this way again
I love me some you
Another man will never do
I love me some him
I'll never love this way again
I love me some you
Another man will never do

[Verse 2]

Just like a dream come true

I wished for you
I have never been so happy 'bout a love so new
You opened my heart to a brand new start
My love's there
Wherever you are
I won't let no one take you away

[Pre-Chorus]
You took the ease off my mind
And put it behind
You were there
Yes, indeed
For all my needs
(Yes, you were, babe)

[Chorus]
I love me some him
I'll never love this way again
I love me some you
Another man will never do
I love me some him
I'll never love this way again
I love me some you
Another man will never do

[Bridge]
Cause you came along and changed my life
Told me things would be alright
And they were
Thanks to you
(Babe, babe, thanks to you)
And now I have the strength to carry on
In my heart
You have a home
And I never want to be alone
Cause I love me

[Chorus]
I love me some him
I'll never love this way again
I love me some you
Another man will never do
I love me some him
I'll never love this way again
I love me some you

Another man will never do
