

Show Me the Way

Ben E. King

[Verse 1] If I had to swim a river
Or climb a mountain tall
I'd do anything you ask
Anything at all
[Chorus 1] No river, no mountain
Can keep us apart
Show me the way, whoa, whoa, whoa, oh,
oh
Show me the way to your heart
[Verse 2] I would gladly cross a desert
To prove my love is true
I would sail the stormy sea
Just to be with you
[Chorus 2] No desert, no storm
Can keep us apart
Show me the way, whoa, whoa, whoa, yeah, yeah, yeah
Show me the way to your heart
[Verse 3] If you ask for a palace
I'll build you two
If you ask me for dew
I'll bring stardust to you
Only you
[Bridge] And if all you're asking
Is love in all its care
I will pledge true love to you
Love beyond compare
[Chorus 3] My darling, I need you
Why must we be apart?
Show me the way, whoa, whoa, whoa, oh, oh, oh
Show me the way to your heart
