

Cry Wolf

Christina Grimmie

Verse 1:

They say the brightest stars
are the ones that burn out first
and i was quick to give my heart
turns out that you get your's

Verse 2:
And you tell me that you love me,
tell me that you mean it,
didn't see it coming, sorry i believed it,
i was buying every lie you sold
and even though we lost it, never really had it,
how was your secret hiding in the attic?
the only one you never told.

Chorus:

I need a witness, someone to write it down,
for this truth i found was a bigger trap.
begging for forgiveness, it's a hopeless cause,
you played your cards, no wonder what you cried
wo-olf, wo-olf, wo-olf,

hey

Verse 3:
You know how the story goes, in the end the wolf get's fed.
you need a miracle after everything you said. (verse 2 repeats) (chorus repeats, "Wolf" 7

x) Bridge:

save you'r breath, i ain't listening,
there's nothing left,
what are you saying
so save your breath
i ain't listening at all, all ,all.

Mixed up part:

i need a witness, someone to write it down
this the truth i found was a bigger trap
begging for forgiveness, it's a hopeless cause
you played your cards, don't wanna know what you cry,
witness, someone to write it down,
cause the truth i found it was a bigger trap
begging for forgiveness, it's a hopeless cause
you played your cards, don't wanna know what you cry,
i need a witness, someone to write it down,
'cause the truth i found it was a bigger trap,
begging for forgiveness , it's a hopeless cause
you played you'r cards,
so why'd you cry wolf?
