

Brand New Day

No Doubt

At the end of the day you are worn out you are worn out
And too tired to sleep
But then you do dream of wonderful things
That you might do
Right on through to
The next day
And then you wake up
The sun's on your face
You're stretchin' while you're sayin'
It's a brand new day!
It's a brand new day and the sky is clear
So let's come together everybody cheer
Come out people from everywhere
Let's see your faces, the day we'll share
Come on and celebrate a brand new day
Everyday! Call out to the workers and the children in the schools
It's a day of celebration so put down your tools
And celebrate a brand new day
Everyday!
Oh come see the mountains and come see the shores
Mother nature is calling so climb aboard
And celebrate a brand new day
Everyday!
Let's go
At the end of the day there is no doubt you are worn out
Ooh, but then you do dream of wonderful things
Wonderful things you might do,
And then you wake up
The sun's on your face
You're stretchin' while you're sayin'
It's a brand new day!
Celebrate a brand new day
Everyday!
Celebrate a brand new day
Everyday!
