

Disrespectin

88rising, Rich Brian, Higher Brothers & AUGUST 08

Diamonds stay: 'Disrespectin' (disrespectful nigga)
Whole clique's some veterans, you can tell by their necklace
Came through with the extras (extras, extras, wooo)
If they poppin' set we gon air 'em out like a mattress
(Hey) I just took your bitch
Diamonds dance like J-Lo hips (hey)
We fly high as shit, 80 gang is reckless (hey)
Watch us all get rich
Spent 10 racks just on the kicks (hey)
Better hide your bitch
Disrespect all on my wrist
Tell your man, he don't get my respect
Throw the man five bands, and he'd never collect
Got a bitch that dance, and she came from the 'jects
Never hold my hand, but her booty is fat
Got my eye up on the gold, the riots happened at my show
She cryin' 'cause yo ass is buyin' diamonds from the local mart
Never hit a bitch, never popped a pill
Never stole a single fucking thing except for your bitch ass
Then your ass in my thoughts so you can swim fast
I spat like a goat gon' make you eat grass
One, two, three, four, five
We're about to take off to Dubai
Never learned how to drive, but bitch I fly
Pussy the only thing in my eyesight
Ayy
