

# Free Mind

## Tems

Yeah, yeah my mind  
Yeah, yeah my mind  
I said, "Five in the morning"  
I wake up to fight for my earnings  
The fear in my mind is a warning  
Praying to the one you rely in  
I've been wandering all day  
I try to be fine but I can't be  
The noise in my mind wouldn't leave me  
I try to get by but I'm burning  
And behind my mind it runs  
All these thoughts have troubled me  
Fighting to give up my pain  
Fighting to be on my lane  
My mind running to the other side  
When it's time to live my life  
Then it tries to take me out  
Tell you what I need right here  
I really need, I really need tim? now  
I really need, I need a free mind now  
I really need, I really need min? now  
I really need, I need to free my mind now  
I really need, I really need time now  
I really need, I need a free mind now  
I really need, I really need my mind now, oh yeah  
This is the peace that you cannot buy  
Send me a love that you cannot mix  
One is the joy that you cannot waste  
And the other one price that you cannot fix  
This is the peace that you cannot buy  
Finding a way when you cannot see  
Man will desist if he cannot pray  
I need to find release  
But behind my mind it runs  
All these thoughts have troubled me  
Fighting to give up my pain  
Fighting to be on my lane  
My mind running to the other side  
When it's time to live my life  
Then it tries to take me out  
Tell you what I need right here  
I really need, I really need my mind now  
I really need, I need a free mind now

I really need, I really need time now  
I really need, I need to free my mind now  
I really need, I really need time now  
I really need, I need a free mind now  
I really need, I really need time now, oh yeah  
To set me free  
Freer than the open mind  
Farther than the eyes can handle  
Freer than the ocean now yeah, yeah  
So set me free  
Now I need to find release  
Set me to the open sky  
Now I need to free my mind yeah, yeah  
I might be falling deep  
I might be falling deep  
I might be falling deep  
I might be falling deep  
Tell me now what you need  
I've been going to God  
When I'm all in my mind  
I might be falling deep
