

Be Alone

Paramore

So what if I don't have
A lot to talk about?
I shut my mouth and keep it
Locked until it counts And what if I don't ever want
To leave my house?
Sit on the couch while
All my friends are going out (Alone)
You should be alone
Yeah, you should be alone You should be alone with me
We could be alone
Yeah, we could be alone But never get too lonely I'll make the journey down the hall
Back to my room. And kill more time, and let it rot
Inside it's tomb, (inside it's tomb) See, I ain't one to climb
Some social ladder to.
Some Shangri-La
That all the cool kids will abuse
(Alone)
You should be alone
Yeah, you should be alone
You should be alone with me
We could be alone
Yeah, we could be alone
But never get too lonely
(We could be alone, together)
Oh-oh-oh, oh-oh
Oh-oh-oh, oh-oh
I'm a loner, I'm in love
With you alone
Oh-oh-oh, oh-oh
Oh-oh-oh, oh-oh-oh
Come, be alone, and be in love
With me alone
Oh-oh-oh, oh-oh
You should be alone
Yeah, you should be alone
You should be alone with me
We could be alone
Yeah, we could be alone
But never get too lonely
You should be alone
Yeah, you should be alone
You should be alone with me

We could be alone
Yeah, we could be alone
But never get too lonely.
