

# Christmas With My Girl

## Mindless Behavior

[Princeton:]

Aye, come here  
(All I want for Christmas)  
Let me talk to you for a minute  
Heh, it's Princeton  
RAY!

[Ray Ray:]

Your presence is the only present that I really wanted  
(Uh) It's priceless (Whatchu got on it?)  
(Uh) Comin' over? I got you something gorgeous (Gorgeous)  
I've been saving up, so I could afford it  
I kinda over did it, but I got mistletoe wishes  
Cocoa goddess, marshmallow kisses  
Only thing been on my mind since Thanksgiving  
And gettin' your permission, are you wit' it?

[Prodigy:]

The first time I ever talked to you  
My heart told me you are a dream come true  
And the first time you put your hand in mine  
I was wishin' it would last a lifetime  
All I want for Christmas is my girl  
All I want for Christmas, Christmas is my girl  
(x2)

And we kept close under the mistletoe  
And we watched the moonly shadow in the snow  
And it was right then your boy knew for sure  
That I got exactly what I asked for  
Cause

All I want for Christmas is my girl  
All I want for Christmas, Christmas is my girl  
(x2)

And I know I see angels  
(Angels)  
When I look in your eyes  
(Eyes ... And when I wake on Christmas day)

You'll be my best surprise

[Roc Royal:]

Uh, uh, uh, listen shawty  
It's winter time, better button up  
Tryna keep warm, errybody coupled up  
Sittin' fire side, cocoa in a cup  
We just hangin like the fringe on your Mukluks (yeah)  
(Uh) Your presence here is a gift to me  
Let the past be a wrap (yeah)  
Look, cause everybody already think we go together  
That's what I'mma tell 'em  
Aiight?

[Prodigy:]

All I want for Christmas is my girl  
All I want for Christmas, Christmas is my girl  
(x2)
